Dear Jeremy,

As you know, this years IWCA convention was an incredible success. Congratulations on your appointment to the Board. It was nice to see you and all the other members again. This convention has become a highlight for me, and this year definitely lived up to the expectations.

It is always nice to be around fellow window cleaners; I love that we are able to exchange new ideas and innovating concepts. In May, Minneapolis should be equally as exciting. Hopefully we'll see each other there.

Best Wishes!
