

Happy New Years from the Morgan Brothers

Warmest Season's Greetings to our Customers and Friends!

12-2002

We at Morgan Brothers Inc formally known as Krystal Klean would like to thank all of you for helping us to get where we are now. Thank you! Thank you! Thank you! So much has happened since January 2000 when Krystal Klean was started in the cold state of Michigan. The summers were not bad, but the winters- let's just say it wasn't window-washing weather. So in May of 2001 we sold our route to Great Lakes Window Cleaning and headed down south. We weren't sure where we were headed but had an idea that it would be nice to be near the beach. After stopping in several cities along the coast we came to Jacksonville, FL. Its population with surrounding areas was about 1.5 million people and seemed to hold a lot of opportunity and we were tired of driving so we stayed.

Now 1 1/2 years later we can say we made a good choice. We have made many excellent contacts and friends. Two of my brothers have come and helped in the business. Tony is still here working with us and Danny has gone on to be a paramedic. He is studying at the University of Iowa now. Claire is going to school full time in January. She is going to study to become a veterinarian. Tony went to school for a builder's license here in the state of FL and passed the contractor test with flying colors. Now Morgan Brothers Inc is certified under his license.

As of 2003 Morgan Brothers Inc goals: we will continue to offer window cleaning services and our new addition is remodeling and custom homes. We look forward to continuing to serve you and will strive to treat you the way we want to be treated.

Please call us at anytime for comments and suggestions of how we can improve our service to you and the city of Jax. My cell number is 904-838-1860. My name is Jeremy Morgan. Have a wonderful holiday season and a blessed new year!

God Bless You,

Jeremy Morgan for Morgan Brothers Inc
