Re: Reference

To Whom It May Concern:

I'm writing this letter in reference to Krystal Klean window washing. They have been doing contract work for us on property for the last several months. Their prompt response and professionalism have been outstanding. Krystal Klean has done an outstanding job and is highly recommended.

If you have any questions or concerns please contact me at (904)285-1111, ext 7775.

Sincerely,
