To Whom It May Concern:

I am please to be able to provide this letter of recommendation for Jeremy Morgan, and his company, Krystal Klean.

Mr. Morgan and his team recently performed various cleaning and maintenance activities at our home. The work was performed quickly and thoroughly. We have been very pleased with the results and will be employing the services of Krystal Klean in the future. We also recommend to any person or organization needing such services to use Krystal Klean.

Today, it is very difficult to find an organization that consistently delivers quality service in a conscientious manner. We are fortunate to have found such an organization in Krystal Klean.

Sincerely,

Sam Gilson
